

August 15, 2010: Team Clarity at AFC Half Marathon and 5K
Raises \$30,000 for tumor blueprints

The America's Finest City Half Marathon and 5K was held on August 15, 2010 in San Diego, CA. For the second year, Team Clarity was formed to help raise money for The Clarity Foundation. Team members ran not only to get fit but also to help "[Clear a Path to a Cure](#)" for ovarian cancer. Team Clarity raised \$30,000 and we had a lot of fun. Team members came from as far as Chicago to participate! If you did not get a chance to donate, please [click here!](#)
