## Teal Woman Celebration

### **The Issue:**

Ovarian cancer continues to be the deadliest of women's cancers. With no current early diagnostics, women are often diagnosed in late-stage, making it difficult to treat. Treatment options are challenging to determine, and precision medicine is not standard of care.

### **Our Solution:**

Clarity is dedicated to science and devoted to patients. We provide unique programs and services not available through any other organization. Our research driven, scientifically-focused approach to patient services and programs makes us a trusted partner to a woman, and her family, during their ovarian cancer journey. Our commitment is to precision medicine, ensuring women have access to tomorrow's ovarian cancer care today.

### **The Need:**

Our goal is to expand our capacity to ensure all women who need support through an ovarian cancer diagnosis can turn to Clarity for that support. Increasing our capacity to help more patients, survivors and caregivers will take a significant increase in funding.

### **Your Opportunity:**

Teal Woman Celebration has been a quality, well-attended social event in San Diego since 2018. Prior to that, Clarity held other invitation-only events that brought leaders from the biotech, cancer research and business communities together to support Clarity.

Your sponsorship would position you as a leader in the efforts to change the course of ovarian cancer, and a supporter of the work and the mission of Clarity. Your guests will be treated to a best in class experience at one of San Diego's iconic resorts, the Fairmont Grand Del Mar. Your sponsorship will mean upgraded seating, recognition—both the live gala event on September 19<sup>th</sup> as well as the broadcast *Who's Your Teal Woman* on September 25<sup>th</sup>.

Sponsorship means you can be proud knowing that you have invested in a better future for women and families facing ovarian cancer. Thank you for your consideration!
